**JOIN US!**

A 1923 KU engineering graduate, Paul Endacott became president of the Phillips Petroleum Co. In gratitude for his experience at KU, Mr. Endacott established the "Expressions of Appreciation" program, through which other alumni and friends

could likewise thank faculty and staff members for their influence. Mr. Endacott also collaborated with fellow donors and planners of the Adams Alumni Center to ensure that retired faculty and staff members could meet in the center, which is the headquarters of the KU Alumni Association.
