

Expressions of Appreciation

To pay tribute to the unique contributions of KU faculty and staff during their tenure at the University, the Endacott family generously established the “Expressions of Appreciation” fund through the Kansas University Endowment Association. This carefully administered plan enables KU retirees to continue using their special talents to benefit the University community. Gifts are given in honor or memory of an individual teacher or staff member.

KU Retirees, known as the Endacott Society, conduct special programs and activities at the Adams Alumni Center to promote continued social interchange and study among intellectual peers. Tax-deductible gifts to the “Expressions of Appreciation” plan will provide essential support for Endacott Society programs and activities in the Adams Alumni Center.
